Bowls Report 30th October 2021

My last report was on the 14th August. Now some 10 weeks later, following our lockdown, we finally get a week of good weather to restart our bowls and justify a report. Last weeks wind and rain called off just about every game played and so the results weren't complete.

However, I will be more direct with the reports in future due to the length of time the more informative reports take to write and so until anyone else would like to offer their wit and literary skills I hope you don't find the future reports too boring.

One match from last week which did complete however was the Major/Minor Pairs Championship Final on Wednesday 20th October which should not go unmentioned.

The long time pairing of Ray Solway (S) and Tommy Smith (L) met the newer pairing of Jim Jamieson (S) and Roy Cartledge (L) after a long break of bowls during the Lockdown. They braved the ever-threatening weather to complete their match while others gave up with Ray and Tommy taking the game and championship 21-17. Congratulations Ray and Tommy and commiserations to the runners up.

Wednesday 27th October Competition Bowls

What a great year Tommy Smith has had. After securing the Major Minor pairs championship last week he was now appearing in the Minor Singles Semi Final against Alan Liebert.

Final score Tommy Smith 31 Alan Liebert 25. Well played both and congratulations on reaching the Final Tommy. Tommy will meet Peter Smith in the Final on Saturday this week.

Saturday 29th October Competition Bowls

A nail biting Final of the Minor Singles Championship. After an early lead of 9 points Peter clawed back critical points to draw and then lead the match by a margin. It looked all over for Tommy who in the later stages was trailing by 12 points and with Peter on 28 and only needing another 3 Tommy fought back but had left it too late. On the final end Peter pocketed his last bowl to take the game 31-25. Congratulations Peter and Commiserations to Tommy.
